

ANDREW WAITE
SITE SUPERINTENDENT**BACKGROUND**

Andrew obtained his Site Carpentry Level 1, 2, 3 designation and began his career in construction in the United Kingdom as a Site Manager. Upon his arrival to Canada, he continued to pursue his career in the field of general contracting by transferring his credentials into a Journeyman Carpenter certification.

EXPERIENCE

Andrew has extensive knowledge of the carpentry trade and the work involved, this understanding has given him the ability to resolve problems with appropriate decisions. Andrew continually monitors quality of workmanship and production costs related to every project that he is assigned. Due to his many years of experience, Andrew is specialized in unique projects and their unconventional requirements. He is skilled at pre-planning work, overseeing safety procedures and maintaining the morale and attitude of those who work with him all while maintaining project schedules and budgets.
